

October 28, 2023, Downtown Houma, 10 AM – 10 PM

Thank you for your consideration in becoming a sponsor for the Bayou Arts Fest.

The Bayou Arts Fest is hosted by the Bayou Regional Arts Council (BRAC) in collaboration with various art organizations in our six-parish area. This year we are proud to announce our partnership with Explore Houma's White Boot Stroll and Voice of the Wetlands. The collaboration of these three events will have a great economic impact for our area. The scheduled musical line-up will attract visitors from near and far. On our Voice of the Wetlands Stage, you'll hear Tab Benoit, Chubby Carrier, Tyron Benoit, Bang Bang, Josh Garrett Band, Randy Jackson, and the Bayou Arts All Star Guitar Jam featuring Joe Stark. On the courthouse square bandstand, enjoy Nonc Nu & Da Wild Matous, The Babineaux Sisters, Cedric Watson and Storytelling along with Singer Songwriter Sessions. To welcome residents of all backgrounds, BRAC members are also planning a Cultural Carnival

Stage featuring performances by groups of varying ethnicities while showcasing the similarities between our Mardi Gras Celebration with Carnival Observances from around the world.

All festival proceeds will enable BRAC to continue mission fulfillment "to improve the accessibility and quality of arts in our region." Currently, our focus is to locate/ renovate a space in Downtown Houma to provide a homebase and a practice/performance venue for local art organizations (SoLa, the community orchestra and others.) BRAC also wishes to support local artists and community residents via public works of art like painted crosswalks, murals, sculptures, and a bayou art gallery in Bayou Terrebonne. Work on these projects has already begun with the intent to continue towards an improved quality of life in our area. BRAC collaborates with local government and other organizations to expand art in our area. Additionally, BRAC meets its mission by distributing grant funds from The Louisiana Department of the Arts to art organizations & nonprofits in Terrebonne, Assumption, Lafourche, St. Charles, St. James, & St. John. We administer grants that are funded through Terrebonne Parish. We also work with other non-profits such as Luminate Houma to provide a free space for artists to showcase their work.

To meet its mission, the Bayou Regional Arts Council needs funds to procure headquarters which will host the council and provide an area to showcase local art. By considering sponsorship, you have the potential to provide a boost to the very deserving local art community. It is for this reason that the Bayou Regional Arts Council wishes to bestow thanks to you.
